

Freedom 4/24 seeks to prevent and end sexual exploitation and trafficking both locally and globally. We raise awareness, provide prevention education, and expand the restoration work of our partners.

Job Title: Research and Presentation Development Internship

Reports To: President

Date: Summer Internship

Compensation: Volunteer/Unpaid

## **SUMMARY**

To serve as the Research and Presentation Development Intern with the aim of primarily supporting the President in creating Freedom 4/24's medical education material.

**ESSENTIAL DUTIES AND RESPONSIBILITIES** *include the following. Other duties may be assigned.*

1. Assist the President in conducting research for Freedom 4/24 medical education in order to update and refine pre-existing presentations. Research would include reviewing learning objectives successfully being implemented through other state's programming and ensuring all those components are accurately represented in our presentations.
2. Assist the President in creating updated support material for medical education including powerpoints, pre/post testing, etc.
3. Assist President with scheduling a focus group to preview and provide insight into the validity of content prior to certification.
4. Assist President with certification of content.
5. Other duties as assigned by the Freedom 4/24 staff.

## **QUALIFICATIONS**

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The individual must be self motivated and have the ability to problem solve and to seek out creative solutions independently but also understand that program development requires community effort.

## **SKILLS GAINED**

1. Understanding of human trafficking challenges in VA and other jurisdictions
2. Understanding of co-operation between public, private, and non-profit organizations

## **SUPERVISORY RESPONSIBILITIES**

This internship does not require any supervisory responsibilities.

**EDUCATION and/or EXPERIENCE**

Graduate school student/undergraduate senior with a degree/focus in medicine, social work, public health, public policy, political science or similar areas of study. A medical background/perspective preferred but not required.

Experience in nonprofit work is desired but not required; however, it is essential to have the understanding that working in the nonprofit world means being flexible and willing to serve in varying capacities.
