THE TIMELINE OF HUMAN TRAFFICKING

HOW FREEDOM 4/24 IS PROVIDING HOPE AT EVERY POINT.

If you were to explore the timeline of human trafficking, you would see we all begin at a place of innocence. But no matter where we live, what family we're born into, our race or gender, we are all vulnerable to exploitation as we grow in a world where good and evil exist side by side. Some are fortunate enough to never come face to face with exploitation, others come close but recognize the red flags, and others through no fault of their own, face one of the darkest injustices in our world.

Freedom 4/24 is providing hope during any point in this timeline, both before and after trafficking occurs. Prevention and restoration. Restoring the lives of those who have been touched by this evil while working hard to ensure it does not affect another.

2022 HIGHLIGHTS

We've highlighted a few impactful moments from 2022 on this timeline.

PREVENTION EDUCATION

We are currently developing a trauma-informed and evidence-based curriculum for all ages. While the curriculum is being developed, we filmed a 25-min condensed prevention video along with a facilitators guide in both English and Spanish for adults and youth that can be completed online.

TOPICS COVERED

- 1 Relationships
- 2 Exploitation/Human Trafficking
- 3 Social Media/Online Use

MISSION THRIFT

In November 2022, we opened the doors to a thrift store founded by Freedom 4/24 and Sports Outreach Institute. Our desire is for Mission Thrift to prevent sexual exploitation through educating staff, volunteers, and customers while providing a welcoming place for vulnerable individuals.

PARTNERING WITH LAW ENFORCEMENT: SAFE HARBOR AND VICTIM PACKAGES

1) As a member of the Virginia Coalition Against Human Trafficking, we advocated to legislators for Safe Harbor legislation, one of our annual priorities. This would prohibit minors from being arrested and charged for prostitution-related offenses and instead, they would be seen as victims of child abuse and directed to specialized services. 2) Additionally, when victims are identified within our local area, we are able to provide comfort through practical needs such as clothing, blankets, etc.

NEW PARTNER IN ECUADOR

In January 2022, we introduced our newest partner, Casa Mis Sueños. We were able to 1) lead two teams to serve on the ground in Quito, Ecuador, 2) fund the costs of their "Here I Am" program that provides a month of food for vulnerable families and individuals and 3) host an Ecuadorian-themed Gala.

In the fight against one of the world's darkest injustices, we see hope arise in every dollar invested, every parent educated, every child protected, every survivor restored. Thank you for bringing freedom and doing justice.
